| <input type="checkbox"/> Stapling | => Top Left (if available) |
| <input type="checkbox"/> Scale | => Fit to page |
| <input type="checkbox"/> Collation | => Uncollated |

1. Long-edge portrait

END OF BASIC COMPATIBILITY - TEST PARAMETERS

Happiness is a high Scrabble score?

This page is simulating a magazine page.

There isn't much else to be written here.

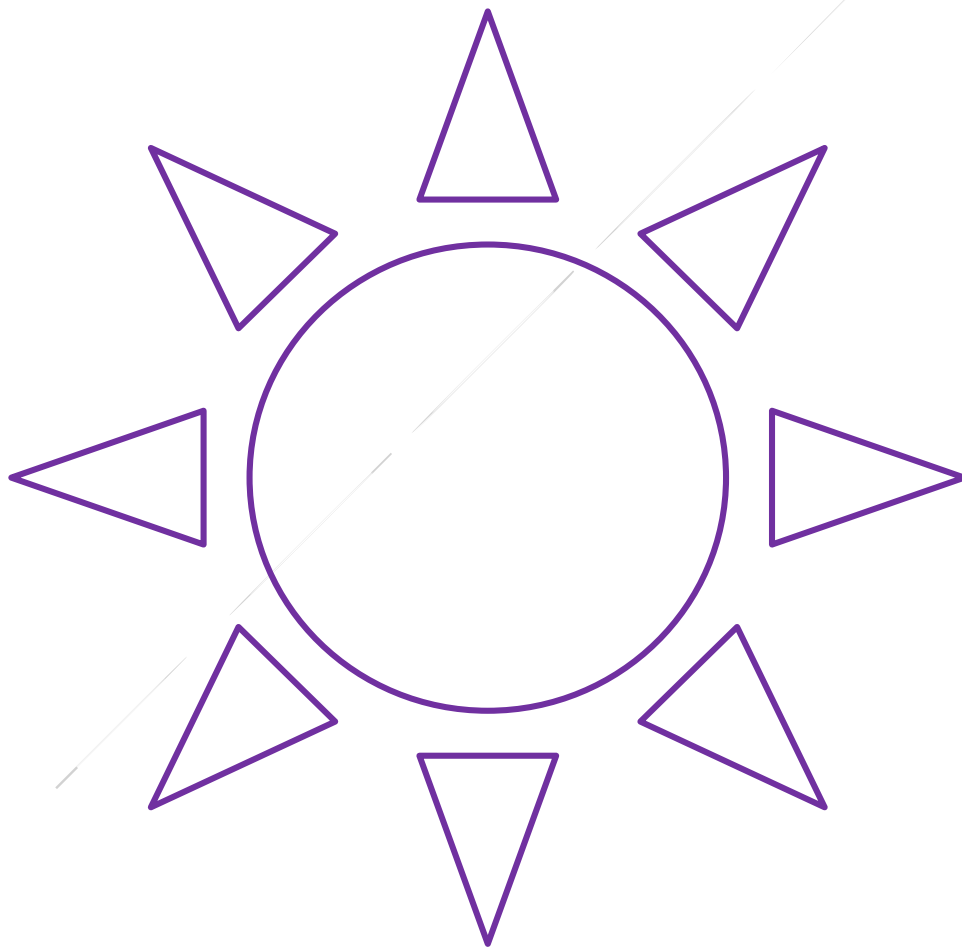

Happiness is more than a high Scrabble score.

Lorem Ipsum!

**“Neque porro quisquam est qui dolorem ipsum quia dolor sit amet,
consectetur, adipisci velit...”**

There is no other text on this page.

This is a shape that looks like the sun. Its lines are colored purple:

Lorem Ipsum

"Neque porro quisquam est qui dolorem ipsum quia dolor sit amet, consectetur, adipisci velit..."

"There is no one who loves pain itself, who seeks after it and wants to have it, simply because it is pain..."

This is an example page that you probably won't ever print. It has a spiffy title, though.

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Nunc efficitur quis sem in tincidunt.

Phasellus at posuere enim, vitae vulputate sapien..

This is an example page taken from the Word test page. You probably won't ever print it from Word, so it should be safe to use here. It has a small-ish image of a pansy on it.

Here's some different text, just in case.

Pellentesque vel enim ornare leo varius convallis placerat sit amet risus. Quisque aliquam rutrum lorem
