ROMAN FORUM

The Final Touch for your Roman Romp!

authentic aromas presents an exciting new product guaranteed to add the unmistakable waft of authenticity to your "Toga Party!"

We use a patented odor extraction process to distill historically accurate scents, smells and stench into each of our Aroma Crystals. The "Roman Forum" Aroma Crystal contains at least 10% of each of the following odors:

- Hot metal • Leather • Gladiator Sweat • Burnt Offerings •
- Roman Bath Salts • Caesar Salad • Bloodsoaked Sand •

The Roman Forum Aroma Crystal may contain trace amounts (less than 5%) of the following odors; vomitorium, unwashed Celts, rancid meat. Mixture is guaranteed not to be more than 30% stench.

NOT FOR USE in enclosed spaces
