END OF BASIC COMPATIBILITY - TEST PARAMETERS

You should not be seeing this page...

...if the test's page range parameter is still pages 1,3, and 4

There is no other content here.

Page 3 should be the <u>2nd page</u> you see in your test output...

...if you are still using the test's page range parameter of 1,3, and 4

UNDERNEATH THIS TEXT IS A GOLDEN SMILEY FACE SHAPE (BUT IT SHOULD PRINT OUT GRAY IF YOU ARE USING THE TEST'S COLOR PARAMETER OF MONOCHROME):
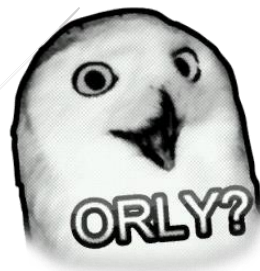

Page 4 should be the 3rd and last page you see in your test output…

"…as long as you are still using the test's page range parameter pages 1,3, and 4"

"Otherwise you will see something different."

The ORLY owl has come to say hello!
